

Available with or without molasses, it is the lowest starch formula of all Integrity Horse Feeds. It is an ideal feed for companion horses, senior horses, laid-up horses, easy keepers, and overweight horses. Horses with conditions requiring a low starch diet may also benefit (consult with your veterinarian).

Guaranteed Analysis

Crude Protein	- not less than	12.5%
Crude Fat	- not less than	6.0%
Crude Fiber	- not more than	20.0%

PRODUCT #	SIZE	FORM
42430250	50 lbs.	Multi-form
42930250 (No Molasses)	50 lbs.	Multi-form

Feeding Directions

Feed along with quality forages as a supplement to the current feeding program, according to the table below. Not a complete feed. Make all feeding changes gradually.

Inactive, Seniors, Maintenance	Light Work	Moderate Work	Overweight
Up to 1/2 lb. per 100 lbs. of body weight daily	Up to 2/3 lb. per 100 lbs. of body weight daily	Up to 3/4 lb. per 100 lbs. of body weight daily	Consult your veterinarian

Provide clean, fresh drinking water at all times. Store in a cool, dry, ventilated location away from rodents and insects. Do not feed if moldy, spoiled, insect/rodent infested, or if feed has an uncharacteristic odor or appearance, as it may cause illness or death. WARNING! - Do not feed to sheep. This feed contains added copper at levels that may be toxic if consumed by sheep.
